Setting up Clicker Registration Link

- Go to http://my.okstate.edu
- Click on “Online Classroom”
- Select the appropriate course where you will be using clickers
- Select New News item

- Give it a title “Clicker Registration”
- Select the third icon from the tool bar.

- Click on “External Learning Tools”
Select “Clicker Registration – TP Cloud”

- Add this in the description: “Please see the instructions on how to successfully register your clicker device here – TP Cloud Student Registration. Please remember to use your OKEY email address to register your clickers.”

- Click “Publish”
