Creating a Turning Point Account

A Turning Account is a unique identifier that is used to tie together all software accounts and response devices. A Turning Account is required for use with Turning Technologies products.

1) Click on the Registration Link that you set up in Brightspace. 

   (Here is the tutorial to set up the registration link.)

2) Enter your okey email address and click Create.

3) Check your email and click the link to verify your Turning Account.

4) Enter all required fields as noted by the asterisks.

   5) Enter and confirm your password in the fields provided.

   NOTE

   The password must be at least eight characters long and contain one lowercase letter, one uppercase letter and one number.

6) Select the box labeled “By checking this, you agree to comply with the EndUser License Agreement and Terms of Use”.

7) Click Finish.

8) If you have a license code and/or device ID enter them in the appropriate box and click Redeem and/or Register. (Optional)

9) Click Finish.

   The Turning Account Dashboard is displayed.
