**NOTE:** If you are using ResponseWare, you are ready to participate in class after you redeem your license code.

**IMPORTANT:** You must have a license to participate and receive credit for your responses. You have to purchase this license code from the bookstore if you don’t have one.

10. Click Finish.

11. The Turning Account Dashboard is displayed. If you have a check mark for License, Device and Learning Management System, you are finished.
