Synchronizing your Brightspace Account with TurningPoint

1 Sign in to your TurningPoint account. (If you do not have a TP account, click Create account and verify your account by clicking on the email link sent to you). Once you have successfully created an account, Sign in.

2 Under Available Courses click Sign In.

3 Click Continue. The TurningPoint Web dashboard opens.
4 Under **Available Courses**, click **Connect** on each course you want to sync to TurningPoint. Upon clicking, the **Available Courses** will move to **Current Courses**.

5 You will be able to see all the students in the display.

Note: Once you complete the above step, you will not be required to create participant list when you open the TP dashboard from your receiver. Your classes should will be there once you login.
