

Synchronizing your Canvas Account with TurningPoint

1 **Login to Canvas and get into your course.** Sign in to your TurningPoint account by clicking on the Turning Point 8 link in the Canvas course. (If you do not have a TP account, click Create account and verify your account by clicking on the email link sent to you). Once you have successfully created an account, Sign in.

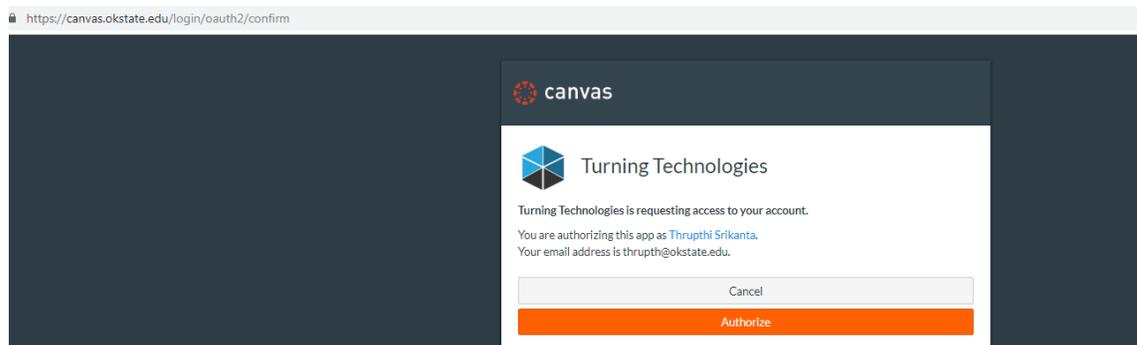

The image shows the TurningPoint Technologies login interface. At the top is the TurningPoint logo. Below it is a red banner with the text "Students and instructors MUST use their university email address." Underneath is a text input field containing "YOUROKEY@OKSTATE.EDU". At the bottom are two buttons: "Create Account" with a plus icon and "Sign In" with a right arrow icon. The "Sign In" button is highlighted in yellow.

2 Under *Available Courses* click Sign In to your Canvas account.

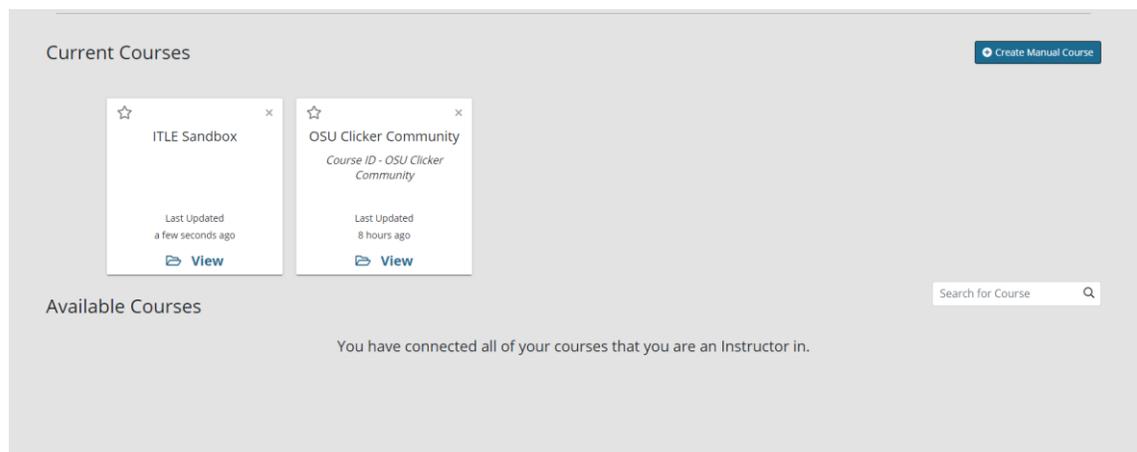

The image shows a user interface for a Canvas account. At the top, it says "Welcome, Thrupthi" with a link "Want to Quick Poll? Click Here!". Below that is a "Current Courses" section with a "Create Manual Course" button. A course card for "OSU Clicker Community" is visible, showing "Course ID - OSU Clicker Community" and "Last Updated 8 hours ago" with a "View" button. Below that is an "Available Courses" section with a search bar. A message box says "Please sign in to Canvas to display your available courses." with a "Sign In" button.

3 Click *Authorize*. Your Canvas courses will appear within “Available Courses” .

4 Under **Available Courses**, click *Connect* on each course you want to sync to TurningPoint. Upon clicking, the Available Courses will move to Current Courses.
To remove a course, click on the “x” sign on the top right corner of the course tile.

5 You will see all the students in the display when you click the “view” button.
