TUESDAY TEACHING TIPS

ONLINE COURSE QUALITY SPRINT: NOW ACCEPTING SUBMISSIONS

Get fast, focused, and expert feedback on your online course!

This summer, submit your course for a light-touch, supportive review from our instructional design team. Each participant will get a summary report and a 30-minute

AI KILLED THE ESSAY - NOW WHAT?

In this thought-provoking and practical article, Liza Long argues that the traditional research essay has lost its purpose in a world of AI-powered writing tools. Instead of mourning its loss, she offers a path forward: reimagining assignments built around process, reflection, and ethics. From AI
