FULL STEAM AHEAD!

As students come back from Spring Break, we may find that we are barreling forward to get to the end of the semester. There are many mental health resources for students and faculty that are available through OSU Wellness. Share these resources with your students so that we can all finish this semester happy and healthy!

ONLINE INSTRUCTOR Q&A

We want to hear from you this week in our Online Instructors Tips & Tools Community! We invite you to use our Q&A Discussion Board and post topics you are interested in learning more about or strategies you'd like to share with the rest of the community that have proven to be effective in online instruction. If you have not joined our community, see more information below on how to join!

ONLINE INSTRUCTOR LEARNING COMMUNITY

We invite all online/hybrid instructors to join ITLE's Online Instructor Tips and Tools Community. Each week, a new tip or tool will be released detailing resources designed to enrich the quality of online courses. This community will also provide a space for instructors to ask and answer questions concerning best practices in online instruction. Click the link below or scan the QR code with your phone's camera to join in on the discussion!

DEVELOPING STUDENTS' WRITING SKILLS

Helping students improve as writers can sometimes be challenging, but there are structures you can implement to support students as their skills develop.

ITLE MULTIMEDIA SERVICES

ITLE develops high-quality video production and graphic design to enhance course materials, lectures and presentations. The events department specializes in support for live classes, meetings, workshops and training seminars.
