2. STUDENT COURSE EVALUATIONS

The Student Survey of Instructions, better known as Course Evaluations, will be available in Canvas from **November 18th until December 9th**.

For more information, including samples of the instrument, instructor report and best practices, see the [UAT website](#). Questions can be directed to s.s.i@okstate.edu.

3. ONLINE AND HYBRID TEACHING RESOURCES

Teaching online or HyFlex, when thoughtfully planned, can be very engaging and effective across subjects and disciplines. Whether the content is taught synchronously (live) or asynchronously (on your own time), faculty members can present information to students, demonstrate processes, facilitate large or small group discussions, assess student learning and provide feedback on assignments and assessments. [ITLE has resources](#) to assist you in your planning for a short-term shift or a semester-long course.

4. WORKING WITH NEW QUIZZES IN CANVAS

Canvas provides two different quiz engines for conducting online quizzes, New and Classic. Below are a series of videos that cover the basics of using the New quiz engine, which provides new question types and extended moderating options. The Classic quiz engine, used since OSU adopted Canvas, will remain in place until Spring 2024.

Overview of the New Quizzes Tool

The New Quizzes option in Canvas lets you create assessments that are more interactive and visual than traditional Quizzes. This video shows you how to select the New Quizzes option, and how to decide which version of Quizzes (Classic or New) is right for you.
